

## RFP Addendum

New York State Office for the Aging  
Systems Improvement Initiative  
RFP #2014-01 Addendum #2  
December 8, 2014

This is Addendum #2 to the November 14, 2014 New York State Office for the Aging Systems Improvement Initiative (SII) RFP. This RFP Addendum #2 Document summarizes items added, altered (e.g., issued as a fillable pdf or EXCEL document), or changed in the SII RFP.

- 
- Correction to Addendum #1, item 7, to correspond to updated page numbers in SII RFP [deletions by strikeout and additions in bold):

7) ~~On page 27~~ **Section 9, page 28** of the RFP we direct bidders to supply 2 complete copies of the Cost Proposal however on ~~page 109~~ **page 110** (the Checklist) we indicate that they are to submit 5 copies. The Checklist will be modified as follows:

**[ ] Original and ~~five~~ two complete sets of the Cost Proposal**

- 
- Attachment 3, Deliverable 2, Analytics and Reporting:

# 190: change "Preferred" to "**Required**"

- 
- Attachment 3, Deliverable 2, Analytics and Reporting:

**New # 190.1: Vendor platform must be able to send and receive feeds using secure data transfer protocols.  
Required.**

- 
- Attachment 3, Deliverable 2, HIICAP:

**# 215: Deleted and moved** functionality to appear under Deliverable Two: Volunteer Management. **Now appears as #219.1** and is changed from "Preferred" to "**Required**"

- 
- In order to maintain the integrity of the Attachment 3 functionality numbering, **we have noted functionality deletions as strikeouts**. Bidders do not need to address those items that are stricken through.

- 
- Due to language additions noted in Addendum #1, **page numbers have shifted** in the revised RFP.

- 
- 4.2.2i has had the following reformatting and language changes as follows:

Reporting Guide CAARS and Client Data System 2014COMPASS Form 2014.doc has been changed to:

- **Reporting Guide CAARS and Client Data System 2014**
- **COMPASS Form 2014.doc**

MINIMUM DATA SET QUESTIONS AND ANSWERS has been changed to

- **Minimum Data Set**
