

Greetings,

Governor Cuomo, Commissioner Ball, Acting Director Waffner and I are pleased to invite you to Senior Citizens' Days at the Great New York State Fair!

Each summer the Great New York State Fair showcases New York State's agriculture, entertainment, education and technology. With rides, concessionaires, exhibits and concerts for all ages, it has become New York's largest annual event and an end-of-summer tradition for thousands of New York State's families. The first fair was held in Syracuse in 1841. The fair took permanent residence there in 1890.

It is the oldest and one of the largest State Fairs in the United States, with nearly one million visitors attending over 12 days.

We hope you have a wonderful time.
