The following applies to the submission of claims for FGP and RSVP grants of $10,000 or less:

1. An initial advance of 25% of the current award may be requested. After the initial advance, subsequent payments will be made on a reimbursement basis. Expenditures should be submitted for reimbursement after the costs have been incurred and paid.

2. Claims should be submitted at least semi-annually. The final claim must be submitted to NYSOFA by June 30th.

3. All expenditures must be reported on the Expenditure Report Supporting Schedule.

4. Copies of receipts or invoices must be submitted for certain expenditures (see below for Required Supporting Documentation to be submitted to NYSOFA).

5. Proper completion of forms and submission of all required supporting documentation will facilitate prompt payment. Generally, grantees should allow 3-4 weeks from the date claims are mailed for the receipt of the ACH deposit/check. Claims cannot be e-mailed as original signatures are required.

6. Total administrative expenditures must not exceed 15% of the grant amount for FGP and 10% of the grant amount for RSVP. Administrative expenditures are those which cannot be directly associated with volunteer activities but relate to the development, operation and management of the organization. These include accounting, budgeting, data processing, preparation of funding applications and reports, general insurance coverage, administrative office space and equipment, legal expenses, employee bonding and general supplies.

7. The claiming forms were developed in Excel, but are also available in Portable Document Format (PDF). The Excel version is preferred as it includes macros and formulas which eliminate the need to re-enter duplicative information and calculate totals manually. The claiming forms include detailed instructions.

**TYPES OF CLAIMS:**

Grantees may submit claims as follows:

**ADVANCE CLAIM:** Generally, a payment of 25% (as noted in 1. above) may be made in the form of an advance. NOTE: NYSOFA reserves the right to withhold an advance payment to a grantee if there are any outstanding issues of non-compliance with NYSOFA policies/procedures.
The expenses paid with advance funds must be reported on subsequent claims submitted for reimbursement. Required supporting documentation (as outlined on the following pages) must be submitted to substantiate the appropriate use of the full advance payment. The advance will be recouped from reimbursement claims submitted. If our Office has been unable to recoup the entire advance after the final claim has been processed, the unrecouped balance must be repaid to NYSOFA within 90 days of the end of the program period.

REIMBURSEMENT CLAIM: After the advance payment, all subsequent payments will be made on a reimbursement basis. All expenses claimed must be incurred during the program period and paid by the grantee. The following forms and/or documentation required are described below.
