

PROJECT 2015

3 MONTH STATUS UPDATE

Name _____

County _____

Organization _____

Title/position _____

Background: *Project 2015* is a successful, time-limited strategic planning process that enables states and localities to prepare for the impact of major demographic change. In the *2015 Tool Kit for Community Action*, the *Community Handbook* discusses options to consider by AAAs/ conveners for engaging county participants in a local initiative. During the implementation of the *Project 2015* model in your locality, you are encouraged to collect feedback about the successes and barriers to next steps that you have experienced along the way.

This Status Report is intended for your use in tracking the process and your progress at 3 months from the time you initiate your project:

[1] What has your county planned or initiated during the first 3 months as part of *Project 2015*? *[Please be as specific as possible, including activities such as presentations that have been provided, outreach to potential partners that has been conducted, meetings or groups that have been convened, specific work plans and/or processes put in place. Attach additional sheets if necessary]:*

[2] How does your locality intend to implement *Project 2015*? *[Provide as much information as you wish in order to describe the different facets of your local initiative]:*

[3] What types of organizations do you expect to involve in your *Project 2015* process? *[Please include government, private sector partners, not-for-profit partners, citizens, etc.]*

[3] What barriers, if any, have you encountered during the initial 3 months in your county's *2015* project? What assistance or support would be helpful for your county to address those barriers? *[Please contact the New York State Office for the Aging at 1-800-342-9871 and ask to speak to the Project 2015 Principals for technical assistance]*

[4] From the 3-month launch phase of your initiative, please describe lessons learned or successful activities that your county has engaged in that you would like other counties to know about:

THANK YOU
