<b>PROGRAM INSTRUCTION</b>	<b>Number: 10-PI-10</b>
	<b>Supersedes: 09-PI-08</b>

**DATE:** July 30, 2010

**TO:** Area Agency on Aging Directors

**SUBJECT: 2010 Senior Farmers Market Nutrition Program (SFMNP)  
Information and Instructions**

.....

**RESPONSE DUE DATE: August 20, 2010** for undistributed coupon booklets.  
Instructions for return are included in the text of this Program Instruction.

**PURPOSE:**

The purpose of this Program Instruction is to:

- Provide information for your agency’s participation in the 2010 Senior Farmers Market Nutrition Program (SFMNP);
- Disseminate the final 2010 SFMNP check booklet allocation schedule;
- Provide an internet address to the statewide list of SFMNP authorized farmers markets and contact persons; and
- Disseminate 2010 administrative instructions covering the following subjects:
  - Check inventory and handling;
  - Check distribution eligibility and targeting criteria;
  - Procedures for check issuance to seniors, and reporting this issuance;
  - Instructing seniors in the use of the checks;
  - Nutrition education for the SFMNP; and
  - Handling problems or complaints relating to the SFMNP.

**Highlights for this year:**

- Check value – the value of each check remains \$4.00 and each booklet of checks should have 5 checks, not ten. We are continuing with a higher face value per check because it has allowed the program to lower administrative costs especially bank redemption charges per check and printing costs.

- Income Guidelines – the income guidelines remain the same as those for the 2009 program year because the federal government has not increased the Federal Poverty Guidelines for 2010.
- Program Outreach – the intent of this program is to economically support local farmers and provide low-income seniors with access to local fresh produce. However, the total program allocation covers about one-tenth the total number of eligible seniors. In face of a slow recovery from the recent downturn, it is very important that each area agency make every effort to distribute allocated booklets for the maximum benefit to seniors and the local economy. Please give special consideration to outreach efforts this year.
- Eligibility Clarification – eligibility is determined by two factors, age and income. Eligible recipients must be age 60 or older. Someone who is age-eligible must then meet the income eligibility requirement. There are two separate ways to meet the income requirement. They do not need to meet both income methods.

**BACKGROUND:** For a historical perspective on the SFMNP, please review 01-IM-04, February 7, 2001.

**PROGRAM IMPLEMENTATION:** Please share the following instructions with persons responsible for implementation of the SFMNP. New York State Office for the Aging program forms (Attachment A) and samples of forms to be sent to AAAs by the NYS Department of Agriculture and Markets (Attachments B & C) are also included.

**AAAs should duplicate NYSOFA form “SFMNP Statement of Eligibility” (Attachment A) since neither NYSOFA nor the Department of Agriculture and Markets will provide multiple printed copies.**

Other pertinent information in this Program Instruction includes:  
An internet address for you to access a statewide list of SFMNP authorized farmers markets and contact persons.

### **Program Materials**

All SFMNP materials have been printed and shipping will be completed by mid- July. These materials include five (5) separate items:

1. Your agency's supply of SFMNP check booklets for issuance to seniors. This year's checks will be green/olive (same as last year's).
2. Farmers market location lists for your region (sent by the Department of Agriculture and Markets).

3. Pocket-folders to contain the checks and market lists when issuing to seniors. The folders contain program information and are printed in English, Spanish, Chinese, Russian, and Creole (sent by the Department of Agriculture and Markets).
4. SFMNP check booklet inventory forms (Certification of Distribution form FMC-1) and SFMNP check issuance registers (Certification of Issuance form FMC-3) (sent by the Department of Agriculture and Markets for use by AAAs).
5. SFMNP site posters will be sent to AAAs for informational display in the office, at meal sites and/or community focal points for seniors.

**Program dates:**

Checks can be issued only from July 1 through September 30, 2010. Checks may be used by seniors from July 1 – November 15, 2010 (see below). Not all markets remain open through November 15. Please encourage participants to use coupons as soon as possible.

**Check Issuance Eligibility and Targeting Criteria**

1. Issuance of SFMNP checks should be targeted to senior **households** (one or more individuals 60+) who are, or affirm that they are, low-income based on one or more of the following criteria:

- A. Gross monthly income at or below 185% of Federal Poverty Guidelines:

\$1,670.00/month for a one-person household;

\$2,246.00/month for a two-person household; or

\$2,823.00/month for a 3-person household.

Income levels increase by \$577/month (base is \$1,670.00) based on the number of persons in the applicant's household.

These figures are based on the Federal Poverty Guidelines published in the Federal Register in February 2009 (NYSOFA issuance 09-PI-03). By federal direction the 2009 Guidelines are still valid.

**OR**

- B. Currently receiving or eligible to receive one of the following benefits: SSI, food stamps, public assistance, or Section 8 housing subsidy.

2. Selection of sites for issuance of SFMNP checks should be determined by the AAA in collaboration with appropriate agency partners to increase check distribution to low-income seniors.

Criteria for site selection for the distribution of the checks include the following:

- Sites in communities or neighborhoods with a high proportion of low-income seniors;
- Sites in close or reasonable proximity to participating farmers markets; or
- Sites with access to group or public transportation on market days.

Please issue checks in as many communities with farmers markets as possible to increase geographic variability and benefit the most farmers and low-income seniors. Please review the Participating Farmers Market list and note the communities with farmers markets in your county (including new markets). This information is available at the following internet address:

<http://www.agmkt.state.ny.us/AP/CommunityFarmersMarkets.asp>

Recommended sites for targeted distribution to low-income seniors include, but are not limited to:

- Congregate nutrition sites in low-income areas,
- Low-income housing complexes, and
- Other sites that can efficiently serve current participants in programs such as SSI, food stamps, HEAP (Tier I), public assistance, or Section 8 housing subsidy that qualify seniors for SFMNP participation.

Farmers markets in low-income communities may be used as issuance sites with the approval of the market sponsor or manager. Market sponsor or manager information can be located through the Farmers Market contact list available at <http://www.agmkt.state.ny.us/AP/CommunityFarmersMarkets.asp>

3. SFMNP check issuance MUST occur to eligible seniors on a FIRST COME FIRST SERVE basis. Farmers Market checks cannot be reserved for “regulars” at congregate nutrition or other sites. Encourage seniors to participate only if they are planning to use the coupons. Keep waiting lists, which is a USDA requirement.

### **Check Inventory and Handling**

1. Each AAA will receive its allocated quantity of SFMNP booklets, packaged in sets of 20, from the NYS Department of Agriculture and Markets’ printer by UPS or other delivery service. In addition, the AAA will receive under separate cover a corresponding check inventory form (FMC-1 – “Certification of Distribution of Farmers Market Checks”) (duplicate-type form) (see Attachment B sample form).

2. The shipment of SFMNP checks must be accepted and signed for by the AAA director or staff assigned by the AAA director. When the checks are delivered the following procedures should be enacted immediately.

The checks should be reviewed to see if the total amount and check numbers correspond to the Certification of Distribution of Farmers' Market Check Form(s) FMC-1 sent under separate cover. Check each wrapped package of checks to verify that the full sequence of numbered check booklets has been received and indicate this by checking off the sequences on the FMC-1.

- Each original page of the FMC-1 form must be kept at the distribution site. The copy must be returned to the NYS Department of Agriculture and Markets in the enclosed envelope within two (2) days of receipt of the checks.
  - If the shipment of SFMNP checks is incomplete or inconsistent in any way with the FMC-1 inventory form(s), AAAs should immediately contact Jonathan Thomson at the Department of Agriculture & Markets at (800) 554-4501 or e-mail [jonathan.thomson@agmkt.state.ny.us](mailto:jonathan.thomson@agmkt.state.ny.us) . Please notify NYSOFA as well.
3. The AAA must have a procedure in place for keeping track of where the SFMNP check booklets are being stored and issued. It is recommended that a copy of the original FMC-1 form – Certification of Distribution of Farmers Market Checks be made and used to track the location and allocation of the checks for issuance.
  4. If an AAA distributes SFMNP checks at multiple locations or through other local agencies, a separate record for each location must be kept of when, where, and to whom SFMNP checks have been transferred from the AAA, bearing the signature of both the AAA and local staff persons involved. Each location must then follow all SFMNP issuance and record keeping procedures as the designated agent of the AAA.
  5. All SFMNP checks must be stored in a secure, locked location until needed. Checks must NOT be kept on top of desks or other such places. The AAA (and/or any local agency partners) is responsible for ensuring the security of checks that have not yet been issued to participants.
  6. When issuing SFMNP checks, the Issuance Certification form (FMC-3) (Attachment C) must be used (see section below). When each FMC-3 has been completed with the check booklet numbers and signatures of individual seniors receiving the booklets, the form must be signed and dated by the issuing officer. The agency must keep one copy of the form and send the original within two days of its completion to the NYS Department of Agriculture and Markets, using the mailing labels included with the package of forms.

7. If SFMNP checks are lost or stolen before issuance, they must be reported as follows:
  - Immediately report the numbers of any lost or stolen SFMNP checks by telephone to Florence Reed at (518) 473-6951. NYSOFA will notify the Department of Agriculture and Markets. A decision will then be made as to whether the local police should be contacted, if this has not already occurred.
  - Lost or stolen SFMNP check numbers must be noted on the appropriate FMC-3 form by indicating that the checks were "stolen" or "lost". Enter any other pertinent information on the form regarding these checks.
  - Lost or stolen SFMNP checks cannot be replaced.

### **Check Issuance to Seniors**

1. **Checks may only be issued to eligible seniors between July 1, 2010 and September 30, 2010. Participants may use the checks until November 15, 2010. (These dates are listed on the face of each check and in the check folders that are issued with the checks.) All unissued checks must be returned to the NYS Department of Agriculture and Markets.**
2. If you think you will not be able to issue all of your allocated SFMNP check booklets during the program period, contact Jonathan Thomson at the NYS Department of Agriculture and Markets at (800) 554-4501 as soon as possible, preferably by August 20, 2010, so arrangements can be made to reallocate them to meet requests from AAAs that exceeded their 2010 SFMNP allocation. Since check booklets cannot be issued beyond September 30, 2010 it is important to return undistributed booklets quickly.

**Promptly return any SFMNP check booklets you do not expect to issue, preferably by August 20, 2010, to the Department of Agriculture and Markets, enclosing an FMC-3 form indicating the SFMNP check booklet number(s) returned. On the FMC-3 form, write "Returned to the NYS Department of Agriculture and Markets" on the "Recipient's Signature" line. All returned checks must be accounted for on this FMC-3 form.**

3. After explaining the program to the interested older person, show him/her the SFMNP Statement of Eligibility (Attachment A). If he/she indicates that he/she is eligible, the individual must then sign the statement. This statement should be kept on file at the distribution site location.
4. The form also has the participant's Statement of Rights and Responsibilities and the Race/Ethnicity questions. You may need to help participants read the forms. To complete the questions about Race/Ethnicity, participants:

- Check either Yes or No for the Hispanic/Latino question and
  - Put a Y (for Yes) or N (for No) for each of the races listed.
5. To complete the Issuance Certification form (FMC-3) (Attachment C):
- Enter the name and address of the AAA under “organization” and the name and address where the SFMNP checks are being issued under “place”.
  - For “No.” enter the five-digit SFMNP program number that has been assigned by the Department of Agriculture and Markets to your AAA or site. **This number can be found on the Certification of Distribution of Farmers Market Check form (FMC-1) directly above the AAA or site address.**
  - Enter the date the checks are being issued. Only one date may be used on each FMC-3 form -- a new form must be started each day.
  - Enter the check booklet number in the first column (the check booklet number is the nine-digit number of the first check in the booklet).
  - The recipient must sign in the recipient's signature column when he/she receives checks; and
  - The issuing staff member must sign his/her initials in the last column.
  - Collection of Race/Ethnicity data: As with other federal benefit programs, collection of these data are used to help oversight agencies determine that benefits are distributed in a fair and equitable way. The Department of Agriculture and Markets has amended the FMC-3 form (Certificate of Issuance) to help capture these data.
  - Please note, race and/or ethnicity will not determine eligibility. While participants are not required to disclose race or ethnicity AAAs should attempt to collect this data. If participants choose not to respond, the interviewer may indicate a response from their observation.
6. **Only ONE check booklet may be issued per senior household regardless of how many low-income seniors comprise the household.**
7. Each SFMNP check booklet is worth \$20 and contains five (5) \$4.00 checks. Seniors **MUST** be issued the entire \$20 benefit. Booklets may **NOT** be subdivided among recipients to permit more seniors to participate in the program.

8. SFMNP check booklets should be issued in numerical sequence and the FMC-3 form completed in this sequence at each issuance site (if more than one site is used.)
9. Eligible recipients must (1) personally sign the Statement of Eligibility form (see Attachment A) to receive SFMNP checks, and (2) initial the FMC-3 form (see below). **Checks cannot be mailed to eligible seniors. Proxies may not pick-up and sign for checks.** For seniors, with physical limitations, who are unable to come to an issuance site, the issuance must occur at the home and the senior must sign for the checks.
10. As SFMNP checks are issued, each FMC-3 form must be signed and dated by the issuing officer at the bottom and sent to the NYS Department of Agriculture and Markets **within two days of completion, even if only one participant is issued checks during that period.** Staff should review the form for accuracy and completeness before sending it to NYS Department of Agriculture and Markets.

### **Instructing Seniors in the Use of the Checks**

Many seniors may be confused about the rules and limitations placed on using the checks they receive. It is very important then that staff take special care in reviewing the rules with them.

1. When the checks are issued, the issuing officer should explain the purpose of the program (promote increased use of locally grown fresh fruits and vegetables and support local farmers), what a farmers market is (an assembly of individual local farmers – selling what they grow), the nature of the SFMNP checks (a booklet of five (5) \$4.00 checks worth \$20), and the key guidelines for their use (see below). This should be done either on a one-to-one basis or in a group setting. Staff should emphasize that:
  - SFMNP checks may only be used at authorized multiple vendor farmers markets participating in the program and not at grocery stores or roadside stands. (See <http://www.agmkt.state.ny.us/AP/CommunityFarmersMarkets.asp>)
  - Checks may only be used to buy locally grown fresh fruits and vegetables from participating farmers -- although other items are also commonly available at the markets. (Farmers will not accept the checks for ineligible items like cider, jams, honey, or baked goods, and recipients should not insist that the checks be accepted for them.)

- Checks may only be used to buy from fruit or vegetable farmers who display the brightly colored Farmers' Market Nutrition Program sign saying "We Gladly Accept Farmers Market Nutrition Program Checks".

(Other vendors, such as producers of other food items or non-farmers will not accept the checks and recipients should not insist they do.)

- Checks can be used from July 1 through November 15.
  - Individual Farmers Market Checks are worth \$4.00. Farmers will not give change. If a purchase is less than \$4.00 or a multiple of \$4.00, farmers will add additional items of the recipient's choice to make up the difference.
2. In addition to the SFMNP check booklets, each recipient should be issued a SFMNP check pocket folder and a schedule of participating farmers markets in the area. The cover and inside of the pocket folder lists guidelines and additional suggestions for check use – such as "Come early for the best selection."
  3. Once checks are issued to a recipient, the recipient is responsible for them. **Lost checks cannot be replaced.**
  4. The Department of Agriculture and Markets will ship a supply of pocket folders and market schedules similar to your agency allocation of check booklets. The Department will provide large SFMNP wall posters, which should be posted at the check distribution sites. The location, days and hours of operation of the nearest participating farmer's market(s) should be written on the posters. If you need more copies of these posters, please call or e-mail Jonathan Thomson at (800) 554-4501 or [jonathan.thomson@agmkt.state.ny.us](mailto:jonathan.thomson@agmkt.state.ny.us)

### **Coordination with Farmers Market Sponsor or Managers**

1. It is strongly recommended that an AAA representative contact the sponsors or managers of farmers markets where SFMNP check redemption is most likely to occur, to discuss program operations. By clarifying the market's location, facilities, and schedule, as well as identifying the local produce items available at various times you will help maximize the benefits of the program for seniors and farmers. This added information can help AAA staff best explain the program. A visit to the market or a pre-season meeting with the manager will also be helpful.
2. If group transportation can be coordinated with the SFMNP, doing so can help to maximize redemption rates and program impact. If you are able to arrange this, it is particularly important to contact market sponsors and managers to help the market and farmers prepare for a group visit.

3. Farmers market sponsors are the organizations that operate farmers markets – including cities and villages, civic and not-for-profit organizations like chambers of commerce, and farmer cooperatives or associations. Market managers are the people responsible for on-site market operations. Market sponsor/manager contact names and telephone numbers are listed on the Department of Agriculture and Markets website given in this instruction.

### **Nutrition Education for the SFMNP**

1. Cornell Cooperative Extension (CCE) may provide SFMNP-relevant nutrition education materials and, if feasible, nutrition education activities at SFMNP check issuance sites and/or participating farmers markets. This is subject to availability of local funding. It is important that AAAs explore and coordinate provision of this service with a nutrition educator at the local Cooperative Extension office in order to maximize the educational benefits of this program. Some county-based CCE nutrition educators host pre-season planning meetings regarding the FMNP that include representatives from AAAs, WIC local agencies, and farmers market sponsors or managers.
2. AAA or other agency nutrition staff are encouraged to provide nutrition education information and activities using materials such as those provided by Cooperative Extension. Information should focus on the benefits of purchasing fresh fruits and vegetables available at the markets, and the proper selection and preparation of fresh produce.

### **Problems or Complaints Regarding Farmers Markets**

The Department of Agriculture and Markets staff visits the farmers markets participating in the SFMNP to check for compliance with program requirements. However, if you become aware of any problems or complaints the following steps should be taken:

1. Interview the recipient who reported the problem to determine the nature of the problem as specifically as possible (date, time, location). If an individual farmer at the farmers market is involved, try to obtain the name of the farm or farmer or location within the market where the problem occurred.
2. If possible, interview other recipients to determine whether there may be similar complaints to see if a pattern exists.
3. Contact the market sponsor or manager to report and resolve the problem. See <http://www.agmkt.state.ny.us/AP/CommunityFarmersMarkets.asp>
4. Also report the problem to Florence Reed at (518) 473-6951. State the nature of the problem, the response you received from the market sponsor, and any suggestions you have to avoid the problem from happening again. Please do this whether or not you have resolved the problem yourself.

5. NYSOFA will contact the Department of Agriculture and Markets for their assistance, if necessary. The Department is in close communication with markets and farmers, and will follow up on reports.
